

## NORWEGIAN COOPERATION PROGRAMME WITH BULGARIA - COMPLETE LIST OF PROJECT APPLICATIONS

PROJECT NAME	TYPE OF APPLICANT	PRIORITY	FOCUS AREA (acc.to Annex III, MoU)	GEOGRAPHIC AREA	REQUESTED GRANT AMOUNT (EUR)
<b>INDIVIDUAL PROJECTS</b>					<b>56 023 701,00</b>
<b>TECHNICAL ASSISTANCE</b>					<b>300 000,00</b>
Technical Assistance for enhancing the capacity of the National Focal Point in Bulgaria	BG public authority	Not applicable	Not applicable	Not applicable	300 000,00
<b>ENVIRONMENT</b>					<b>4 349 084,00</b>
Establishment of a decision support tool for sustainable development of Varna lake	BG public research institute	Environment	Reduce and prevent pollution of air and water	North East	800 000,00
Holistic approach to the greenhouse gas emission in Bulgaria	BG public authority	Environment	Reduce and prevent emissions of greenhouse gases / capacity building	Bulgaria	500 000,00
Environmental Solution Development	NO private research institute	Environment	Reduce and prevent pollution of air and water	Bulgaria	1 530 000,00
Estimation of ground water resources in the Barrenman-Aptial karst aquifer for sustainable development of North East Bulgaria	BG public research institute	Environment	Reduce and prevent pollution of air and water	North East	424 705,00
Closure and conservation of the landfill site for solid domestic waste in the Omurtag Municipality	BG public authority	Environment	Waste management	North East	425 445,00
Assessment reduction and prevention of air, water and soil pollution in Stara Zagora region	BG public university	Environment	Reduce and prevent pollution of air and water	Central South	668 934,00
<b>ENERGY EFFICIENCY</b>					<b>31 185 907,00</b>
Plasma installation	BG private company	Energy Efficiency	Promotion of energy efficiency within important sectors (production)	Sofia	5 000 000,00
Safe Nuclear Energy - Regional Excellence Programme Bulgaria	BG public agency	Energy Efficiency	Improvement of the nuclear safety	Bulgaria	5 000 000,00
Energy potential of wind and impact on the economic and ecological changes in the region of lower Danube	NO private company	Energy Efficiency	Promotion of renewable energy	North Bulgaria (Danube Lower)	1 155 250,00
Construction and commissioning of a photovoltaic installation	BG private company	Energy Efficiency	Promotion of renewable energy	South West	3 080 000,00
Energy efficiency and renewable energy for reduction of greenhouse gases in public sector in the Black Sea region	NO NGO	Energy Efficiency	Establishment of energy centers, networks and institutional cooperation	Black Sea region	2 103 237,00
Establishment of a biogas plant	BG private company	Energy Efficiency	Upgrading of energy and heating systems	North West	2 056 461,00
Implementation of biomass fired combined heat and power plant for district heating in the town of Vratza	BG private company	Energy Efficiency	Upgrading of energy and heating systems	North West	2 250 000,00
LED lighting Bulgaria	NO private research institute	Energy Efficiency	Promotion of energy efficiency	South West	1 496 763,00
Demonstration project on improvement of the street lighting in Topolovgrad Municipality	BG public authority	Energy Efficiency	Promotion of energy efficiency	Central South	363 823,00
Euro electricity market design and implementation in Bulgaria	BG public authority	Energy Efficiency	Establishment of energy centers, networks and institutional cooperation	Bulgaria	4 140 000,00
North East Bulgaria wind project	BG private company	Energy Efficiency	Promotion of renewable energy	North East	2 137 363,00
Sustainable energy use through educational, public and policy awareness	NO NGO	Energy Efficiency	Promotion of energy efficiency	Bulgaria	363 087,00
Management and remote control system for small hydro power plants in Bulgaria	NO private company	Energy Efficiency	Improvement of technology and processes	Bulgaria	300 000,00
Safe Nuclear Energy - Regional Excellence Programme Bulgaria (re-submitted)	BG public authority	Energy Efficiency	Improvement of the nuclear safety	Bulgaria	1 352 000,00
Research and development within energy sector	NO private company	Energy Efficiency	Promotion of energy efficiency	Bulgaria	387 923,00
<b>SUSTAINABLE PRODUCTION</b>					<b>14 063 710,00</b>

Anchor handling simulator	BG private company	Sustainable Production	Improvement of technology and processes	Sofia	2 610 000,00
Positive conflict and difference management in SMEs	BG NGO	Sustainable Production	Organisational development	South West	180 000,00
Information System for water permits and monitoring management	BG public authority	Sustainable Production	Competence building	Bulgaria	1 849 569,00
Establishment of SAVE+GEO tourist center	BG NGO	Sustainable Production	Activities promoting the environment within tourism	Central South	950 462,00
Health, safety and environment in the working place	NO trade union/social partner	Sustainable Production	Organisational development / certification health and safety	Bulgaria	479 900,00
Strengthening governance for sustainable production in Bulgaria	BG NGO	Sustainable Production	Good governance	Bulgaria	614 525,00
Bulgarian business development	BG trade union/social partner	Sustainable Production	Organisational development	Bulgaria	499 375,00
TourNature – promoting sustainable opportunities for ecotourism in the area of natural park “Roussenski Lom”	BG NGO	Sustainable Production	Activities promoting the environment within tourism	Central North	315 000,00
Establishment of an injection line for turbines for hydro power plants	BG private company	Sustainable Production	Improvements of technology and processes	Central North	1 539 468,00
Upgrade of water supply and drainage network for Sapareva Banya	BG public authority	Sustainable Production	Improvement of technology and processes	South West	326 014,00
IT in nine villages and establishment of information and services centers	BG NGO	Sustainable Production	Improvement of technology and processes	Central North	121 403,00
Environment friendly fire-fighting in Bulgaria	NO private company	Sustainable Production	Improvement of technology and processes	Central South	1 786 978,00
Sustainable rural development of ecological agriculture and ecotourism in the rural Bulgarian village Vlahi	NO private foundation	Sustainable Production	Activities promoting the environment within tourism.	South West	879 795,00
The Unique Rhodopes - where the nature revives traditions	BG NGO	Sustainable Production	Activities promoting the environment within tourism	Central South	530 420,00
Creation of green training centre in Shabla	BG public authority	Sustainable Production	Activities promoting the environment within tourism	North East	556 774,00
Setting up an educational farm for organic agriculture	BG NGO	Sustainable Production	Improvements of technology and processes	Bulgaria	484 027,00
Crisis management training centre of the Municipality of Varna	BG public authority	Sustainable Production	Organisational development	North East	340 000,00
<b>SCHENGEN</b>					<b>6 125 000,00</b>
Communication Infrastructure	BG public authority	Schengen	Development of communication system	Bulgaria	5 000 000,00
Towards child rights approach to identify and support the victims and potential victims of trafficking	NO NGO	Schengen	Competence building	South West	700 000,00
Stop trafficking in human beings	BG public authority	Schengen	Competence building and strengthening police cooperation	Bulgaria	425 000,00
<b>SEED MONEY</b>					<b>916 519,00</b>
<b>ENVIRONMENT</b>					<b>129 521,00</b>
Management and protection of groundwater resources	NO private foundation	Environment	Reduce and prevent pollution of air and water	Area between Russe and Silistra	20 165,00
Risk management	NO private company	Environment	Reduce and prevent pollution of air and water	Black Sea region	16 956,00
Prevention of air, water and soil pollution in Stara Zagora	BG public university	Environment	Reduce and prevent pollution of air and water	Central South	19 900,00
Production of bioethanol	BG private company	Environment	Use of new environmental technology	Central South	25 000,00
Save Varna Coast and its area (the lakes of Varna and Beloslav) by reducing and preventing pollution of air and water and the use of new environmental port technologies	BG NGO	Environment	Reduce and prevent pollution of air and water	Black Sea region	22 500,00
Environmental studies for mitigation of climate change	BG public institute	Environment	Reduction of greenhouse gas emissions et al.		25 000,00
<b>ENERGY EFFICIENCY</b>					<b>419 548,00</b>

Street lights (LED technology)	NO private research institute	Energy Efficiency	Promotion of energy efficiency	South West	25 000,00
Bio-energy plant based on organic waste, wood and/or peat	NO private foundation	Energy Efficiency	Upgrading of energy and heating systems		25 000,00
Practical exchange of experiences on the implementation of sustainable energy	NO NGO	Energy Efficiency	Establishment of energy centers, networks and institutional cooperation	Black Sea region	25 000,00
Wind mapping, hydro power	NO private company	Energy Efficiency	Research and development of technology within the energy sector	Not defined	25 000,00
Education and practical measures on energy efficiency in Bulgarian schools	NO NGO	Energy Efficiency	Promotion of energy efficiency	Not defined	25 000,00
Ensure and promote an efficient energy market and cost-effective energy systems	NO public directorate	Energy Efficiency	Establishment of energy centers, networks and institutional cooperation	Bulgaria	25 000,00
Concept for "green house"	BG NGO	Energy Efficiency	Promotion of energy efficiency		25 000,00
Establishment of a mid scale wind park	BG private company	Energy Efficiency	Promotion of renewable energy	North East	15 000,00
Governance in the sector of energy efficiency	BG NGO	Energy Efficiency	Good governance (Energy sector)	Bulgaria	25 000,00
Energy efficiency – tariff structure a.o.	NO public company	Energy Efficiency	Establishment of energy centers, networks and institutional cooperation	Bulgaria	25 000,00
Transform the national electricity market in line with the current EU directives and decrees	NO private company	Energy Efficiency	Establishment of energy centers, networks and institutional cooperation	Bulgaria	25 000,00
Establishment of a solar module plant	BG private company	Energy Efficiency	Promotion of renewable energy		20 670,00
Development of of a new technology for Sea Wave Power generation	NO private company	Energy Efficiency	Research and development of technology within the energy sector	Not defined	25 000,00
Establishment of heterogenous energy park	BG NGO	Energy Efficiency	Promotion of renewable energy		20 936,00
Street lightening	BG public authority	Energy Efficiency	Promotion of energy efficiency	South East	18 860,00
Promotion of solar energy in the tourism sector	BG private company	Energy Efficiency	Promotion of renewable energy	North East	19 500,00
Improving the competence of the Bulgarian building sector and authorities in implementing energy efficiency activities in order to comply with the EU requirements	NO private company	Energy Efficiency	Promotion of energy efficiency within important sectors (construction)	Bulgaria	25 000,00
Establishment of a crisis management centre under MoEE	NO private company	Energy Efficiency	Establishment of energy centers, networks and institutional cooperation	Bulgaria	24 582,00
<b>SUSTAINABLE PRODUCTION</b>					<b>342 450,00</b>
Balkan Business Development Programme	NO private company	Sustainable Production	Organisational development	Not defined	25 000,00
Protecting wood against fire	NO private company	Sustainable Production	Improvement of technology and processes	Central South	25 000,00
Environmental standards in the tourism sector	BG NGO	Sustainable Production	Activities promoting the environment within tourism / certification	Central South	19 700,00
Tourist green center	BG public authority	Sustainable Production	Activities promoting the environment within tourism	North East	25 000,00
Health, safety and environment in the working place	NO trade union/social partner	Sustainable Production	Organisational development / certification health and safety	Bulgaria	19 960,00
Establishing fish and aquaculture farms	BG NGO	Sustainable Production	Not applicable		25 000,00
Management quality and competitiveness of the tourism industry	BG NGO	Sustainable Production	Activities promoting the environment within tourism	Not defined	25 000,00
Technology transfer	NO private company	Sustainable Production	Improvement of technology and processes	Central North	25 000,00
Research ecotourism	NO private foundation	Sustainable Production	Activities promoting the environment within tourism	South West	16 000,00
Training unemployed	NO private company	Sustainable Production	Not applicable		25 000,00

Establishment of SAVE+GEO tourist center	BG NGO	Sustainable Production	Activities promoting the environment within tourism	Central South	21 650,00
Capacity building of enterprises	NO private research institute	Sustainable Production	Improvement of technology and processes	Not defined	25 000,00
Implement a regulatory monitoring framework Bulgarian coastal area	BG public institute	Sustainable Production	Systems for strengthening competences and capacity building within maritime sector	Black Sea region	25 000,00
Enhancing crisis management capacity of the agencies	BG public authority	Sustainable Production	Organisational development	North East	25 000,00
'Seven Thrones'' ecological path	BG NGO	Sustainable Production	Activities promoting the environment within tourism		15 140,00
<b>SCHENGEN</b>					<b>25 000,00</b>
Countering trafficking in human beings	NO public directorate	Schengen	Competence building	Bulgaria	25 000,00
<b>TRAVEL SUPPORT</b>					<b>19 466,00</b>
<b>ENVIRONMENT</b>					<b>6 000,00</b>
Travel to Sofia	NO NGO	Environment	Organisation development	Bulgaria	1 500,00
Travel to Sofia	NO NGO	Environment	Organisational development	Bulgaria	1 500,00
Travel to Bulgaria	NO NGO	Environment	Waste management	North West	3 000,00
<b>ENERGY EFFICIENCY</b>					<b>3 000,00</b>
Travel to Sofia	NO NGO	Energy Efficiency	Establishment of energy centers	Black Sea region	1 500,00
Travel to Norway	BG NGO	Energy Efficiency	Improvement of technology/processes	Bulgaria	1 500,00
<b>SUSTAINABLE PRODUCTION</b>					<b>9 457,00</b>
Travel to Sofia	NO trade union/social partner	Sustainable Production	Organisational development/health and safety	Bulgaria	937,00
Travel to Norway	BG NGO	Sustainable Production	Improvement of processes (agriculture)	Bulgaria	1 020,00
Travel to Norway	BG NGO	Sustainable Production	Organisational development	Bulgaria	1 500,00
Travel to Norway	BG NGO	Sustainable Production	Organisational development, technology/processes	Central North	1 500,00
Travel to Norway	BG NGO	Sustainable Production	Promoting environment in tourism	Bulgaria	1 500,00
Travel to Norway	BG NGO	Sustainable Production	Organisational development	Central South	1 500,00
Travel to Norway	BG NGO	Sustainable Production	Organisational development	North West	1 500,00
<b>SCHENGEN</b>					<b>1 009,00</b>
Travel to Norway	BG NGO	Schengen	Competence building	Bulgaria	1 009,00
