

## NORWEGIAN COOPERATION PROGRAMME WITH ROMANIA - COMPLETE LIST OF PROJECT APPLICATIONS

PROJECT NAME	TYPE OF APPLICANT	PRIORITY	FOCUS AREA	GEOGRAPHIC AREA	REQUESTED GRANT AMOUNT (EUR)
<b>INDIVIDUAL PROJECTS</b>					<b>139 463 114,00</b>
<b>TECHNICAL ASSISTANCE</b>					<b>300 000,00</b>
Technical Assistance for enhancing the capacity of the National Focal Point Romania	RO public authority	Not applicable	Not applicable	Not applicable	300 000,00
<b>ENVIRONMENT</b>					<b>41 074 502,00</b>
Joint research actions for the mitigation of greenhouse gas emissions in Romania	RO public university	Environment	reduce air pollution (carbon capture research)	All	2 150 000,00
Applied research – Improvement of water quality management in Romania	RO public directorate	Environment	reduce and prevent pollution of water	All	1 983 420,00
Geo-spatial digital library	RO private company	Environment	improvement of technology and processes (development of geospatial data library)	All	3 000 000,00
Operational Oceanographic Systems for the Romanian Territorial Waters	RO public institute	Environment	improvement of technology and tools, capacity building, monitoring (Black Sea observation)	South East	3 976 725,00
Corporate Social Responsibility focusing on Environment and Community Development	RO NGO	Environment	improvement of technology and processes, capacity building, regulations (environmental corporate social responsibility)	All	1 656 709,00
Environmental Solution Development	NO private research	Environment	stimulating environmental technology	All	2 700 426,00
Sustainable integrated water resources management of Bulgarian-Romanian transboundary karstic aquifer system	RO public university	Environment	reduce and prevent pollution of water (groundwater - RO BG Danube)	Not applicable	424 716,00
Reduction of greenhouse gas emissions by promoting the environmentally friendly urban transport in Ramnicu Valcea town	RO public authority	Environment	promoting environmentally friendly transport	South Muntenia	4 720 506,00
Developing emergent ecological markets in Romania - EcoEmerge	RO NGO	Environment	improvement of regulations/capacity building; stimulation of environmental technologies (green procurement)	All	1 631 221,00
Strengthening environmental governance in Bucharest	RO public authority	Environment	improvement of processes, capacity building	Bucharest Ilfov	94 740,00
Pilot for municipal waste management in schools in Bucharest	NO NGO	Environment	waste management	Bucharest Ilfov	2 296 235,00
Monitoring and qualitative modelling system within Tarnava Mica River Basin	RO public authority	Environment	reduce and prevent pollution of water	Central	1 024 767,00
An observation and modeling system of the water quality in the Danube Delta (Dadeomos)	RO public research institute	Environment	reduce and prevent water pollution (Danube Delta)	South East	828 850,00
Wastewater treatment sludge and residual marine biomass from Romanian Black Sea Coast as innovative bio-solid composite	RO NGO	Environment	stimulating environmental technology	South East	594 000,00
Development of a forecast tool for air pollution health impact and GHG emission for Romania	RO public authority	Environment	reduce air pollution	All	1 378 219,00
Romanian Atmospheric research 3D Observatory	RO public research	Environment	reduce air pollution	All	2 430 443,00
Green Investment Schemes in Romania	RO NGO	Environment	improvement of technology and processes/capacity building - emission trading	All	1 890 000,00
Cleaning of Pipera waste deposit	RO public authority	Environment	waste management	Bucharest Ilfov	5 000 000,00
Partnership for a clean environment, low waste and sustainable development in Region 7 Center	RO public authority	Environment	waste management	Central	2 018 525,00
Romania – Norway Innovation and knowledge centre for sustainable transport and logistics systems	RO public university	Environment	stimulating environmental technology (sustainable transport)	South East	1 275 000,00
<b>ENERGY EFFICIENCY</b>					<b>27 001 086,00</b>
Valuable Hydropower Potential on the Cartisoara River	RO private company	Energy Efficiency	promotion of energy efficiency in key sectors	Central	885 000,00
Energy Security and Critical Infrastructure Protection Strategy for Romania and the Regional Perspective	RO NGO	Energy Efficiency	competency and capacity building	All	686 700,00
Romanian Training center for energy trading	NO private company	Energy Efficiency	competency and capacity building and institutional cooperation (electricity market)	All	1 692 375,00
Energy efficiency and environmental improvements in the Romanian building sector	NO private company	Energy Efficiency	promotion of energy efficiency in key sectors (production, households)	South Muntenia	1 493 658,00

## NORWEGIAN COOPERATION PROGRAMME WITH ROMANIA - COMPLETE LIST OF PROJECT APPLICATIONS

PROJECT NAME	TYPE OF APPLICANT	PRIORITY	FOCUS AREA	GEOGRAPHIC AREA	REQUESTED GRANT AMOUNT (EUR)
Partnership Small Hydro Power schemes for Racatau and Somesul Rece Rivers, Sustainable production (workshop)	NO private company	Energy Efficiency	promotion of renewable energy (hydropower)	North West	3 160 000,00
LED Lighting Romania	NO private research	Energy Efficiency	promotion of energy efficiency in key sectors	Central	2 518 921,00
Implementation of Underground Thermal Energy Storage systems at two sites in Bucharest	RO public university	Energy Efficiency	promotion of renewable energy (geothermal)	Bucharest Ilfov	1 707 700,00
Wind power in Romania	NO private company	Energy Efficiency	promotion of renewable energy (wind)	All	1 200 000,00
Safe Nuclear Energy - Regional Excellence Programme Romania	RO public agency	Energy Efficiency	cooperation in nuclear safety	All	5 000 000,00
Mizil - an environmental friendly city	RO public authority	Energy Efficiency	promotion of renewable energy (solar - photovoltaic panels)	South Muntenia	1 118 693,00
DIVA - Dissemination and Valorisation of Ecological Values within the Architectural Profession in Romania	NO NGO	Energy Efficiency	promotion of energy efficiency in key sectors	All	807 399,00
Romanian small communities, schools and NGOs, promote climate friendly solutions	RO NGO	Energy Efficiency	promotion of energy efficiency and renewable energy	South East	331 540,00
ROTCET – Romanian Training center for energy trading	NO private company	Energy Efficiency	competency and capacity building and institutional cooperation (electricity market)	All	1 399 100,00
Safe Nuclear Energy – Regional Excellence Programme Romania	RO public agency	Energy Efficiency	cooperation in nuclear safety	All	5 000 000,00
<b>SUSTAINABLE PRODUCTION</b>					<b>51 049 756,00</b>
Implementation of Environmental Sound Rehabilitation Methods for Water and Sewage Systems in Constanta	RO private company	Sustainable Production	improvement of technology and processes (in water and sewage systems)	South East	1 537 093,00
Pilot for sustainable agricultural production in the county of Salaj, Transylvania	NO NGO	Sustainable Production	improvement of technology and processes in agriculture/animal breeding	North West	1 964 767,00
Romanian Industrial Heating Technology Center	RO private company	Sustainable Production	improvement of technology and processes (induction heating industry)	Bucharest Ilfov	3 600 000,00
Medical Disposable Blood Treatment and Dialysis Line Manufacturing	NO private company	Sustainable Production	improvement of technology and processes (medical disposable equipment)	North East	1 950 000,00
Capacity building for members of the Health and Safety Committees	NO trade union/social partner	Sustainable Production	organisational development, health and safety	All	674 551,00
Sustainable, competitive, quality-production by advanced ERP/MPS and formalised QA systems	RO private company	Sustainable Production	improvement of processes, certification, m verification, quality (metal products)	North West	1 850 000,00
Talent development in ship design in South-East Romania through student mobility	NO public institution	Sustainable Production	capacity building in the shipbuilding sector	South East	1 954 538,00
Health-care products, dedicated for hospitals, elderly and disabled persons	NO private company	Sustainable Production	improvement of technology and processes, organisational development (bathrooms for the elderly)	South East	4 984 000,00
RONOMAR – Romanian Norwegian Maritime Project	RO public institution	Sustainable Production	capacity building in the shipbuilding sector	South East	4 981 000,00
Food Traceability in Romania	NO private company	Sustainable Production	improvement of technology and processes, organisational development, verification (food safety)	Not applicable	1 958 694,00
BELuga STurgeon COMunity BAsed Tourism (BEST COMBAT)	RO public research institute	Sustainable Production	promoting environment within tourism	South East	1 346 910,00
The Future of Farming - development of sustainable environmental friendly mechanization in Agriculture	NO private company	Sustainable Production	training in the use of eco-agri machinery	Not applicable	3 000 000,00
Resource Centre for Eco Living and Sustainable Development	RO NGO	Sustainable Production	improvement of technology and processes in all sectors - organic agriculture	Central	1 518 826,00
Development of a new sustainable farming economy in Sinca Noua, Romania	NO private research institute	Sustainable Production	improvement of technology and processes, organisational development, verification (agriculture)	Central	919 400,00
Promoting sustainable production for small-scale farming communities in a Natura 2000 landscape in Transylvania	RO NGO	Sustainable Production	improvement of technologies and processes, certification (agriculture)	Central	1 144 162,00
The fruits of traditions in Odorhei (FRUTRAD)	RO NGO	Sustainable Production	improvement of processes, certification, m verification, quality (fruit produce)	Central	900 000,00
Technology and competence transfer to Romanian mechanical industry	NO private company	Sustainable Production	improvement of processes, technologies and certification (mechanical industries)	South East	5 000 000,00

## NORWEGIAN COOPERATION PROGRAMME WITH ROMANIA - COMPLETE LIST OF PROJECT APPLICATIONS

PROJECT NAME	TYPE OF APPLICANT	PRIORITY	FOCUS AREA	GEOGRAPHIC AREA	REQUESTED GRANT AMOUNT (EUR)
Medical transducer production	NO private company	Sustainable Production	improvement of processes (dialysis transducer production)	Bucharest Ilfov	1 666 800,00
VOC emissions reduction	RO private company	Sustainable Production	improvement of technology and processes (shipbuilding - reduction of emissions)	South East	463 815,00
Recycled paper line	RO private company	Sustainable Production	improvement of technology and processes (paper production line)	North West	3 500 000,00
Garbage Press in Romania	NO private company	Sustainable Production	improvement of technology and processes (garbage press unit)	Central	3 729 000,00
Outsourcing of sub-sea structures	NO private company	Sustainable Production	improving technology and processes (production of sub-sea structures)	South Muntenia	1 225 980,00
Ecotourism in Tara Dornelor - an instrument for sustainable development	RO NGO	Sustainable Production	activities promoting the environment within tourism	North East	315 000,00
Ecology of the production system by wastewater treatment for private company	RO private company	Sustainable Production	improvement of technology and processes (metal treatment)	Central	865 220,00
<b>HEALTH</b>					<b>20 037 770,00</b>
The best of care for healthier Romanian children	NO NGO	Health	improvement of quality in health	All	743 824,00
Increasing access to high quality primary prevention services for children and adolescents in Romania	RO public authority	Health	improvement of quality in health (obesity prevention)	All	1 777 719,00
Research-based and user-oriented improvement of mental health services for children and adolescents in Romania	NO NGO	Health	improvement of quality and access to public health (mental health for children and teenagers)	All	450 000,00
FAIR CARE – Romanian center for combating discrimination in health services	RO NGO	Health	increasing access to health (anti-discrimination)	All	1 430 198,00
Day Center for Children with Developmental Disorders	RO public hospital	Health	increasing access to and quality of public health system (children with autism)	Bucharest Ilfov	2 911 050,00
Comnstruction of health center for elderly people with care and nursing needs	RO NGO	Health	improving access to and the quality of public health services (care for the elderly)	South East	2 250 000,00
Integrated and innovative health care services for rural Romania	RO NGO	Health	increase access to public health (primary care in rural areas)	North East	1 025 450,00
Regional Network of Telemedicine (TELEREN)	NO public research institute	Health	improving access to health services (e-health)	South Muntenia	1 413 512,00
Sound pollution – emissions of noise in urban habitat	RO NGO	Health	preventing negative effects of sound pollution on human health	All	37 500,00
Norwegian-Romanian (NoRo) partnership for progress in rare diseases	RO NGO	Health	increasing access to health (rare diseases)	North West	1 874 138,00
Integrated social services for old people and people with disabilities	RO NGO	Health	improving access to social care and health (for disadvantaged people)	South Muntenia	581 379,00
National Treatment and Rehabilitation Center for Children sick with Spina Bifida and Hydrocephalus	RO NGO	Health	improvement of quality in health (not public)	Bucharest Ilfov	5 543 000,00
<b>SEED MONEY</b>					<b>2 215 548,00</b>
<b>ENVIRONMENT</b>					<b>618 014,00</b>
Green investments schemes	NO private company	Environment	Improvement of processes, capacity building, regulations (GIS)	All	24 261,00
Groundwater resources in the Rom/Bul transboundary region	NO private institute	Environment	reduce and prevent pollution of water (groundwater - RO BG Danube)	Not applicable	16 000,00
Ecological Industrial Park in West Romania	RO public agency	Environment	waste management (industrial eco-park)	West	25 000,00
Partnership for a clean environment, low waste and sustainable production	RO public authority	Environment	waste management	Central	25 000,00
Environment Corporate Social Responsibility: Investing in community projects	RO NGO	Environment	improvement of technology and processes, capacity building, regulations (environmental corporate social responsibility)	All	24 000,00
Risk-management and contingency planning for the Romanian and Bulgarian Black Sea Coast	NO private company	Environment	reduce and prevent pollution of water (oil spill risk management)	South East	12 500,00
Development of an air pollution forecast and projection system for Romania	NO private research institute	Environment	reduce air pollution (research)	All	8 000,00

## NORWEGIAN COOPERATION PROGRAMME WITH ROMANIA - COMPLETE LIST OF PROJECT APPLICATIONS

PROJECT NAME	TYPE OF APPLICANT	PRIORITY	FOCUS AREA	GEOGRAPHIC AREA	REQUESTED GRANT AMOUNT (EUR)
Romanian Atmospheric research 3D Observatory (RADO) network and modeling demonstration service for greenhouse gas	NO private research institute	Environment	reduce air pollution (3D observatory)	All	17 000,00
Municipal waste management	NO NGO	Environment	waste management	All	25 000,00
Sustainable Environmental Technology Solutions	NO private research	Environment	improvement of technology and processes	All	25 000,00
Monitoring and quantitative modelling system within Tarnava Mica River Basin	NO public directorate	Environment	improvement of technology, processes, monitoring (water)	Central	25 000,00
Training / Reduced pollution through improved control and transparency and targeted measures as a result	RO trade union/social partner	Environment	Improvement of processes, capacity building (emission training)	Bucharest Ilfov	25 000,00
Naval sanitation service for villages in Danube Delta	RO private company	Environment	waste management	South East	25 000,00
Training / Reduced fuel consumption and gas emissions in the naval engineering system	RO trade union/social partner	Environment	Improvement of processes, capacity building (emission training)	South East	25 000,00
Training / Reduced fuel and gas emissions in mining systems	RO trade union/social partner	Environment	Improvement of processes, capacity building (emission training)	North West	25 000,00
Wastewater Treatment Installation for paint glue-producing	RO private company	Environment	wastewater treatment	South Muntenia	25 000,00
Water and sanitation program Magura and Unguriu Municipalities	NO private company	Environment	waste water treatment	South East	25 000,00
Sustainable Transportation System	NO private company	Environment	improvement of technology and processes (sustainable transport centre)	South East	25 000,00
Low cost emission monitoring system	RO private research institute	Environment	improvement of technology and processes (emission monitoring software)	Not applicable	25 000,00
Effect of heterogeneous anthropic activities in some eco-systems	RO NGO	Environment	reduce and prevent pollution of water (also biodiversity - to decide)	North West	25 000,00
Studying sources of persistent organic pollutants in the Prut River basin and their impact on human health	RO public university	Environment	reduce and prevent pollution of water (research)	North East	25 000,00
Capacity building, technical assistance and sustainable development of Romania for compliance with the the EU	NO NGO	Environment	reduce air pollution (benchmarking)	All	25 000,00
Treatment of phosphogypsum waste	NO private research company	Environment	safe handling of hazardous substances (soil decontamination)	Bucharest Ilfov	25 000,00
Feasibility study to clean hexavalent chromium from Bicapa Tarnaveni pits	NO private research company	Environment	safe handling of hazardous substances (soil decontamination) - Tarneveni pits	North West	25 000,00
Cleaning of contaminated soil (oil spill)	NO private company	Environment	safe handling of hazardous substances (soil decontamination)	South Muntenia	24 958,00
Management of the environmental quality of the Danube delta to protect natural resources and fishery	NO private institute	Environment	reduce and prevent pollution of water (Danube Delta)	South East	16 310,00
Water Resource Management Project	NO private research institute	Environment	reduce and prevent pollution of water	Not applicable	24 985,00
<b>ENERGY EFFICIENCY</b>					<b>614 716,00</b>
Energy efficiency in the Romanian building sector	NO private company	Energy Efficiency	promotion of energy efficiency in key sectors (production, households)	South Muntenia	24 000,00
Romanian and Bulgarian electricity market stakeholders	NO private company	Energy Efficiency	competency and capacity building and institutional cooperation (electricity market)	All	24 600,00
Bio energy development based on local waste resources	NO NGO	Energy Efficiency	promotion of energy efficiency in key sectors (production - biomass)	Not applicable	22 620,00
Light Emitting Diodes (LED) lighting technology	NO private research institute	Energy Efficiency	promotion of energy efficiency in key sectors (households, construction - street lighting)	Central	15 000,00
Dissemination and valorisation of ecological values within the architectural profession in Romania	NO NGO	Energy Efficiency	promotion of energy efficiency in key sectors (households, construction - ecology in architecture)	Bucharest Ilfov	10 886,00
Hydro power/electricity projects	NO private company	Energy Efficiency	promotion of renewable energy (hydropower)	Not applicable	25 000,00

## NORWEGIAN COOPERATION PROGRAMME WITH ROMANIA - COMPLETE LIST OF PROJECT APPLICATIONS

PROJECT NAME	TYPE OF APPLICANT	PRIORITY	FOCUS AREA	GEOGRAPHIC AREA	REQUESTED GRANT AMOUNT (EUR)
Partnerships Small Hydro Power Schemes	NO private company	Energy Efficiency	promotion of renewable energy (hydropower)	North West	25 000,00
Ground heat as renewable energy source	RO public university	Energy Efficiency	promotion of renewable energy (geothermal)	Bucharest Ilfov	25 000,00
Mizil - an environmental friendly city	RO public authority	Energy Efficiency	promotion of renewable energy (solar and green belt)	South Muntenia	14 400,00
Capitalization of renewable energy for isolated locations in the Arges County	RO public authority	Energy Efficiency	promotion of renewable energy	South Muntenia	20 000,00
Wind power in Romania	NO private company	Energy Efficiency	promotion of renewable energy (wind)	North West	25 000,00
Geothermal energy generation in Oradea	NO private company	Energy Efficiency	promotion of renewable energy (geothermal)	North West	23 700,00
Biomass waste briquetting pilot project	NO private company	Energy Efficiency	promotion of renewable energy (biomass)	Not applicable	20 500,00
Improvement of the structures and efficiency of small horizontal axis wind generation with non-regulated blades	NO private company	Energy Efficiency	promotion of renewable energy (wind)	West	23 400,00
Rehabilitation of aride agricultural zones with a low productivity through forestry plantations and cultivation of plants	NO private company	Energy Efficiency	promotion of renewable energy (forestation)	North East	23 400,00
New Small Biomass Gasification Pulse Jet Injection Plant, To Co-generate Electric Energy and Heat	NO private company	Energy Efficiency	promotion of renewable energy (research into biogas)	Bucharest Ilfov	15 210,00
Windmills project	RO private company	Energy Efficiency	promotion of renewable energy (wind)	Bucharest Ilfov	25 000,00
Wastewater treatment sludge and marine biomass from Romanian Black Sea Coast as innovative bio-solid compound	RO NGO	Energy Efficiency	promotion of renewable energy (biosolids)	South East	19 500,00
Increasing the actual geothermal water production	RO private company	Energy Efficiency	promotion of renewable energy (geothermal)	Bucharest Ilfov	20 000,00
Improving energy efficiency in Buzau distriet heating distribution system	RO public authority	Energy Efficiency	upgrading of heating systems	South East	17 000,00
Solar energy project in Buzau city	RO public authority	Energy Efficiency	promotion of renewable energy (solar)	South East	20 500,00
Geothermal power pilot project	RO NGO	Energy Efficiency	promotion of renewable energy (geothermal)	West	25 000,00
Semenic Wind Farm pilot project	RO NGO	Energy Efficiency	promotion of renewable energy (wind)	West	25 000,00
Creating a Centre for Sustainable Energy Development and Innovation in Romania	NO public university	Energy Efficiency	competency and capacity building, establishment of energy centres (energy audits)	South East	25 000,00
Education and practical measures on energy efficiency in Romanian schools	NO NGO	Energy Efficiency	promotion of energy efficiency (households, schools - awareness raising)	All	25 000,00
Replacement with new and modern Lignite & Biomass Fired Hot Water Boiler of the existing obsolete boiler	RO public authority	Energy Efficiency	upgrading of heating systems	South West	25 000,00
Introduction of a framework for a new market design/spot market for the electricity sector	NO public directorate	Energy Efficiency	competency and capacity building and institutional cooperation (electricity market)	All	25 000,00
Upgrading and thermal rehabilitation of 51 thermal substation in the city of Tirgoviste	RO public authority	Energy Efficiency	upgrading of heating systems	South Muntenia	25 000,00
<b>SUSTAINABLE PRODUCTION</b>					<b>755 918,00</b>
Pilot for sustainable agricultural production	NO NGO	Sustainable Production	improvement of technology and processes, organisational development	North West	25 000,00
Production subsea offshore structures	NO private company	Sustainable Production	improvement of technology and processes, organisational development	Not applicable	25 000,00
RoNoMar – sustainable production in the maritime sector	NO private company	Sustainable Production	improvement of technology and processes, organisational development (maritime innovation centre)	South East	25 000,00
Health care products for hospitals in Romania	NO private company	Sustainable Production	improvement of technology and processes, organisational development (bathrooms for the elderly)	All	25 000,00
Competence centre for mechanical industry	NO private company	Sustainable Production	improvement of technology and processes, organisational development (mechanical industry)	South East	25 000,00
Health, safety and environment (HSE) in the work place	NO trade union/social partner	Sustainable Production	improvement of technology and processes, organisational development (health and safety)	All	20 080,00

## NORWEGIAN COOPERATION PROGRAMME WITH ROMANIA - COMPLETE LIST OF PROJECT APPLICATIONS

PROJECT NAME	TYPE OF APPLICANT	PRIORITY	FOCUS AREA	GEOGRAPHIC AREA	REQUESTED GRANT AMOUNT (EUR)
FIT (Food Industry Training Programme)	NO private company	Sustainable Production	improvement of technology and processes, organisational development, verification (food safety)	Not applicable	25 000,00
Exploring Small Business Development Using Natural Resources	RO NGO	Sustainable Production	improvement of technology and processes	Central	12 000,00
Sustainable development of Romanian farms in Alba County	RO NGO	Sustainable Production	improvement of technology and processes (agriculture)	Central	22 500,00
Danube Delta sturgeon ecology and ecotourism project	NO private institute	Sustainable Production	activities promoting the environment within tourism	South East	25 000,00
Sustainable Catalyst	NO private research institute	Sustainable Production	improvement of technology and processes, organisational development (general capacity building)	All	25 000,00
Social Dialog and Health, Safety and Environment (HSE)	NO trade union/social partner	Sustainable Production	improvement of technology and processes, organisational development (health and safety)	All	22 500,00
Medical disposable blood treatment and dialysis line manufacturing	NO private company	Sustainable Production	improvements of technology and processes (full medical production line)	North East	25 000,00
Pipe production, food processing and OMEGA-3 projects	NO private company	Sustainable Production	improvement of technology and processes (food processing and shipbuilding)	Not applicable	25 000,00
Casayacht	RO private reseach institute	Sustainable Production	improvement of technology and processes (casayacht)	Bucharest Ilfov	24 770,00
Maritime Innovation Center	NO private company	Sustainable Production	improvement of technology and processes, organisational development (maritime innovation centre)	South East	25 000,00
Training / re-training for unemployed persons	NO private company	Sustainable Production	training of unemployed persons	All	25 000,00
Hotel School Samuel von Brukenthal	RO NGO	Sustainable Production	human resources in tourism	Central	25 000,00
Technology and equipment for soil processing with low environmental impact and low energy consumption	RO private company	Sustainable Production	improvement of technology and processes (eco-plough)	Bucharest Ilfov	25 000,00
Setting the framework for the development of environmental technologies in Romania	RO NGO	Sustainable Production	improvements of technology and processes (green procurement)	All	24 963,00
Distribution and consumption in Sustainable Production	NO public college	Sustainable Production	improvement of technology and processes	West	17 100,00
Adopting sustainable agricultural and tourism practices	NO private research institute	Sustainable Production	improvement of technology and processes, organisational development, verification (agriculture)	Central	16 000,00
Geospatial digital library	RO private company	Sustainable Production	improvement of technology and processes including IT solutions (geospatial data library)	South Muntenia	22 715,00
Reduced loads and risks of pesticides in the environment	RO public research institute	Sustainable Production	improvement of technology and processes (research into pesticides)	Bucharest Ilfov	24 650,00
Study regarding the reinforcement of inspection and certification	RO private company	Sustainable Production	certification/verification (agriculture)	Bucharest Ilfov	25 000,00
Stereoscopic Videoconference System	NO private company	Sustainable Production	improvement of technology and processes, organisational development (videoconference equipment)	All	25 000,00
Maritime Cooperative R&D Programme	NO private company	Sustainable Production	improvement of technology and processes (maritime centre - science/industrial park)	South East	25 000,00
Agricultural and Technology Improvement	NO private company	Sustainable Production	improvement of technology and processes (agriculture)	West	25 000,00
Treatment of garbage	NO private company	Sustainable Production	improvement of technology and processes (waste joint venture)	Not applicable	25 000,00

## NORWEGIAN COOPERATION PROGRAMME WITH ROMANIA - COMPLETE LIST OF PROJECT APPLICATIONS

PROJECT NAME	TYPE OF APPLICANT	PRIORITY	FOCUS AREA	GEOGRAPHIC AREA	REQUESTED GRANT AMOUNT (EUR)
Cleaner Production in Romania	NO private research institute	Sustainable Production	improvements of technology and processes (clean technologies in oil production)	Not applicable	25 000,00
E-learning course in Norwegian	NO public college	Sustainable Production	improvement of technology and processes (e-language training)	North West	23 640,00
Quality Assurance Product Test Laboratory	NO public college	Sustainable Production	certification/verification (laboratory)	Central	25 000,00
<b>HEALTH</b>					<b>226 900,00</b>
Construction of building equipped as an institution for disabled children (children with autism)	RO public hospital	Health	increasing access to and quality of public health system (children with autism)	Bucharest Ilfov	25 000,00
Telemedical services in rural areas	NO public research institute	Health	increase access to public health (e-health in rural areas)	Not applicable	19 200,00
Establishment of Primary Health Centers with focus on HIV/AIDS and TBC in Dolj county	RO public hospital	Health	increase access to public health (HIV and TB)	South West	25 000,00
Together for improving the primary health care in poor, rural region of Bacau County, Romania	RO NGO	Health	increase access to public health (primary care in rural areas)	North East	17 000,00
Norwegian-Romanian Partnership for Progress in Rare Diseases	RO NGO	Health	increase access to public health (rare diseases)	North West	17 200,00
Geographical Information Systems in order to enhance disaster management	NO private company	Health	increasing access to and quality of public health system (emergency management software)	All	8 500,00
Energostar Rehabilitation Clinic	RO private company	Health	improvement of quality in health (bioresonance centre - private)	Bucharest Ilfov	25 000,00
Health resort and spa	RO private company	Health	improvement of quality in health (geothermal spa - private)	Bucharest Ilfov	25 000,00
Preliminary survey for building a new pediatric hospital in Cluj, Romania	RO public hospital	Health	increasing access to the public health system (pediatrics)	North West	25 000,00
Private Medical Endowment	RO NGO (church)	Health	improvement of quality of health system (private)	North East	15 000,00
Ultrasound Simulation System for training of health personnel	NO private company	Health	increasing quality in the public health system (development of diagnosis software)	North West	25 000,00
<b>TRAVEL SUPPORT</b>					<b>19 837,00</b>
<b>ENVIRONMENT</b>					<b>3 000,00</b>
Travel to Norway	RO NGO	Environment	promotion of environmental practices in Bucharest	Bucharest Ilfov	1 500,00
Travel to Norway	RO NGO	Environment	improvement of technology and processes	All	1 500,00
<b>ENERGY EFFICIENCY</b>					<b>7 000,00</b>
Travel to Norway	RO NGO	Energy Efficiency	promotion of energy efficiency	West	1 000,00
Travel to Norway	RO NGO	Energy Efficiency	promotion of renewable energy and ecotourism	North East	1 500,00
Travel to Romania	NO NGO	Energy Efficiency	promotion of energy efficiency	All	1 500,00
Travel to Romania	NO NGO	Energy Efficiency	promotion of renewable energy and ecotourism	North East	1 500,00
Travel to Norway	RO NGO	Energy Efficiency	promotion of renewable energy (biosolids)	South East	1 500,00
<b>SUSTAINABLE PRODUCTION</b>					<b>5 337,00</b>
Travel to Romania	NO trade union/social partner	Sustainable Production	organisational development, health and safety	Not applicable	937,00
Travel to Romania	NO NGO	Sustainable Production	improvement of technology and processes (agriculture)	Not applicable	1 500,00
Travel to Romania	NO private company	Sustainable Production	business in general	Not applicable	1 400,00
Travel to Norway	RO NGO	Sustainable Production	improvement of technology and processes (agriculture)	Central	1 500,00
<b>HEALTH</b>					<b>4 500,00</b>
